Notice

It is for general information of all the recently HS passed out students of our college that a review meeting with a view to avoiding undue and unexpected mistakes at filling the admission forms in Sem I is scheduled to be held on 15/05/24 at 12 noon. It is to be mentioned that once the same is applied through the SMART PORTAL, the rectification of the same is troublesome. So, the said students are instructed to be part of the same mandatorily without fail.

Soliciting your support and co-operation in this matter.
