Message from the Head of the Principal's Desk

The Department of Political Science of Chhaygaon College is as old as the College. With a view to impart higher education in political science, to develop socio-economic consciousness in the minds of the students and the society, and to develop the sense of understanding of the national and international problem among the students, the department started its journey in 1974. In 1979-80 degree level course was started and since the opening of major course in the subject from 1985-86, the department is making progress. Result of the department is improving day by day. For this we must thank the teachers as well as the students of the department. Because without the co-operation and effort of both it is not possible to develop. We are thankful to the authority also as their help is always needed to improve the infrastructure of the department.

Education is a never ending process. Higher education today is very much competitive. In order to make our students cope-up with the modern society we should try to give them as much facility as we can. We have to look that they become good citizen who can render service not only to the family, their locality, but also to the nation as a whole.

We are making our effort to help the students so that they can get higher education i.e. post graduation from our institution. So, for that purpose we are communicating with the University through the authority for getting permission to open P.G. in Political Science. We hope we will succeed in our endeavor in this regard very soon.

Dr. Naba Kumar Kalita
Principal,
