**CRITERION I – CURRICULAR ASPECTS**

**1.1 – Curriculum Planning and Implementation**

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The curricular planning and documentation fall under the purview of the affiliated University i.e., Gauhati University. The subjective aspects in the various departments are delivered through planned mechanism with the aid of various tools and processes. In preparation of the class routine the academic calendar of Gauhati University is followed. The class routine is prepared before the beginning of every academic session by a routine committee, which is entrusted with the task of allocation of appropriate classrooms for various subjects according to the students strength. Every department is required to maintain a lesson plan cum record of classes. Attendance register is maintained for each and every class which is an authentic record of taking classes by the faculty members. Class register of students also help to assess the regularity and punctuality of student's attendance. Every teacher maintains the syllabus register up-to-date .Every department maintains departmental proceedings guided and monitored by the H.O.D.s. This proceeding book keeps record of all the academic activities apart from the physical classes. Principal calls meeting of H.O.D.s at the beginning of every academic session to plan the academic activities. Similar meeting is held at the end of every month to discuss about the progress, required changes and to assess the achievement. This meeting is also held before the start of semester and sessional examinations to assess the progress of the syllabus. Apart from the class room teaching students seminars, field works, departmental excursion, institutional exchange programme with other Colleges, institutional visits are conducted and organized from time to time. Besides the sessional examination, internal assessment of the students is done on the basis of different parameters like class attendance, home assignments, students' seminars etc. At the end of the session an academic audit is done by experienced faculty members inside and outside the Institution. Students	Yes
Teachers	No
Employers	No
Alumni	No
Parents	No

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution?  
(maximum 500 words)

Feedback Obtained
<p>Feedback was obtained from the undergraduate students during the current assessment year. The students' feedback was taken in offline mode on a single day in all the departments of the institution. After collecting the filled up feedback forms from the students, the forms were handed over to a group of teachers who were assigned to analyze the feedback data. That assigned group of teachers submitted the students feedback report to the IQAC of the college. That confidential report was again analyzed and scrutinized in IQAC. The IQAC provided some opinions and suggestions to the college authority to take follow up action accordingly. Follow up actions initiated by the Authority: After analyzing the Feed Back Report and taking the opinions of IQAC the College authority called a meeting of all the HODs of all the departments including the Co-ordinator of IQAC. The authority provided suggestions to improve and innovate the teaching methodologies as per the findings of the feedback report. The respective HODs conveyed the message and suggestions of the said meeting to the faculty of their respective departments. The authority asked the HODs to inform the authority about the follow up actions taken by the concerned departments regarding the follow up actions. Moreover, the authority offered suggestions to improve student-teacher relationship as well as to improve the two-way learning process. ### 2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

Students mentoring system has been implemented in the College since 2016. The mentoring system mainly focuses on the students enroll to major courses only. The total number of enrolled regular students under all the UG and PG programmes in the academic year 2019-20 is 1562. But, the strength of the full time faculty is only 33. So, this handful of faculty cannot fulfill the needs of each and every student in the mentoring system. The total enrolled students across the major courses are 1004. So, the ratio of mentor and mentees is 1:30. The HODs of the respected departments distribute the mentees to each faculty keeping in view the strength of faculty in the department. The particular mentor takes extra care of the mentee during the academic period. The mentor also keeps in constant touch with the guardians. The web link given below enlists the enrolled students of every department in the mentoring system. <http://chhaygaoncollege.in/mentoring/>

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Continuous Internal Evaluation (CIE) system at Chhaygaon College is being arranged following the guidelines of Gauhati University. In an interval of every 3 months sessional examination is conducted for all the papers in semester system. Apart from that class assignment, project works, seminar papers are submitted by the students to the concerned departments. Re-sessional examination is also conducted when required. Every department organizes test examinations to select the eligible candidates to take major in the concerned subject. The sessional examination held before the semester end examination, is carried out as per instruction received from the Gauhati University. The marks allotted to each paper in sessional examination are also fixed by Gauhati University. Minor reforms initiated by institution are as follows- I. The Academic Committee and IQAC instruct the concerned departments to set question papers in the sessional examination with more number of objective type questions keeping in view the need of the students to prepare them to appear in the semester -end final examination. II. The Examination Committee asks the concerned departments to arrange Re-sessional examinations for those students who couldn't appear in the sessional Examination. Moreover, the students who failed in the sessional examination are allowed to sit in re-sessional examination for their benefit. III. The results and marks of the students scored in sessional examinations are kept confidentially and handed over to the Examination branch of Gauhati University in the prescribed Performa of mark sheets.

There are established systems and procedures for maintaining and utilizing physical, academic and support facilities- Laboratory, Library, Sports complex, Computers, classrooms etc. The procedures and policies for utilizing various facilities are varying in different departments. The classrooms are divided into two categories, i.e. departmental and common. The departmental classrooms are meant for holding respective classes of the department. The common classrooms are shared by many departments as per the central class routine. These rooms are also used exclusively during the examination time. However, for outside examinations that is normally held during Sundays, the college obtains centre fees that vary great extents. It is worth mentioning that the P.G Department in Assamese has their exclusive classrooms for conducting P.G. classes. The policies for using the college library are outlined in detail in the college prospectus as well as in the college website. The computers in different departments are used by the academic staff for different purposes. The college has its own computer Laboratory which is being utilized for professional courses like PGDCA. The Lab is supervised by the faculties of IT departments. The college canteen is monitored by a Canteen monitoring committee, which looks into the overall quality. The college earns a revenue on monthly basis by giving the Canteen on lease to private partners. The Laboratories in Education and IT departments functions under the strict control of the respective departmental Heads of the College.
