# INTERNAL MONITORING MECHANISM CHHAYGAON COLLEGE

## **ABOUT THE COLLEGE**

The history of Chhaygaon College is, indubitably, the history of higher education in the greater Chhaygaon area of South Kamrup- the homeland of heterogeneous racial elements. The inception of this institution at Chhaygaon on the 6th September, 1974 is the inevitable outcome of the unceasing effort and unitiring zeal on the part of the distinguished personalities and the patrons of learning of the area. Despite numerous setbacks, the College grew healthy with the passage of time and developed into a full-fledged co-educational institution making provision for instruction to Degree levels of Major & General Courses in Arts and Commerce streams. The Arts stream came under the deficit system of grants-in-aid of the Govt. of Assam with effect from 01/02/1985 and is permanently affiliated to Gauhati University. The Commerce stream which was introduced later is affiliated to Gauhati University from the session 1989-90. The College, registered under U.G.C. 2(f)/12(B) runs the Higher Secondary Section in Arts & Commerce with permanent recognition of the Assam Higher Secondary Education Council.

In view of the exploration and explosion of knowledge and the innovations in the transmission of knowledge, the College authority has done a great deal in its attempt to sustain and enhance quality in higher education. With a balanced body of qualified teachers engaged, with devotion and commitment, in deep pursuit of higher studies and ambitious projects, and a sound body of educated people in the College Governing Body, the College is striving towards higher level of achievement. The College authority has formulated a Master Plan for augmenting the infrastructure to keep pace with the academic growth of the institution and has, in the meantime, adopted and carried out a number of schemes for academic and infrastructural acceleration required and desired in today's environment. ***With the firm conviction that quality in the educational system comes from within, Chhaygaon College affirms its commitment to impart higher education by providing quality education to uphold the cherished value of education in all its aspects with efforts and measures towards excellence.***

The College volunteered to be assessed by the National Assessment and Accreditation Council (NAAC) and, consequently, a duly appointed Peer Team visited the College and, after assessment under various criteria, declared the College as accredited at the B level.

## **LOCATION OF THE COLLEGE:**

The College is ideally situated at an easily accessible location at Chhaygaon- a place that can boast of its ethnic and cultural diversities and also of the rich heritage to which Chandika Devalaya and Chandor Merghar stand as silent testimonial. The College stands beside the National Highway No. 37 at a distance of about 40 kms. west of Gauhati University and about 30kms. from the Gopinath Bordoloi Airport.

## **THE CAMPUS:**

The College is built on an area of about 15 bighas of land under the Chhaygaon Revenue circle. The site is grand with luxuriant green fields and shady trees free from the pollution of the crowded environment and it includes one RCC buildings, two semi RCC buildings, two Assam type buildings, a large auditorium, a gymnasium, a comfortable canteen and a medium-sized playground inside the large compound. The campus maintains security all around with walls and iron gates to prevent unwanted entries.

## **OBJECTIVES:**

### ***The major objectives of the College are:***

- To impart higher education by providing quality education and educational innovations for academic excellence
- To make effort with a view to preparing the pupils to face the challenges encountered by them in the modern competitive environment
- To provide opportunities to the students for developing their personality through community service and co-curricular activities like games & sports, music, art, culture and literature
- To promote an awareness and understanding of the society and its numerous problems among the students
- To attempt to evolve strategies for guiding and counselling students for self-employment and entrepreneurship development
- To provide forum for interaction and exchange of views among the teachers and students by organising seminars, conference, workshop etc
- To utilize the different facilities available in the institution to maintain the quality of the academic and other aspects of the campus life for the benefit of the staff and the students

- To inculcate in all the constituents of the College the sense of belongingness and participation
- To try to encourage national integration by undertaking different socio-cultural activities
- Besides all these, the College seeks to see how the students and teachers benefit from each other

### VISION FOR FUTURE

With the sole object of striving for higher level of achievement by providing quality education, Chhaygaon College looks forward to initiating measures relevant to regional needs like computer application, sericulture, fishery development based on the resources locally available. The College proposes to take steps to inculcate civic responsibilities among the students. Assessing the importance of commerce in the global environment, the College wants to promote commerce education in this economically backward area of South Kamrup. Going beyond mere academics, the College thinks of helping students develop into culturally aware competent citizens well-prepared to take on the world.
